Discussions:

In our first meeting we introduced ourselves and shared our name, age and favourite hobby.

After we introduced ourselves, we spoke about why school council is important and why we have been chosen.

We discussed our upcoming theme as 'Anti-Bullying Week!' and why we should raise awareness in school.

Actions:

Next week (WB 10/10/2022) we are going to be put into groups of 4 and design an Anti-Bully Week poster to display around school.

Children will share their ideas with their class.
